

*Job Title:* **Senior Dynamics 365 Business Central Developer**

*Location:* **Vancouver BC, Canada (remote or hybrid)**

*Terms:* **Full-Time Employment, Remote or Hybrid**

### **Responsibilities**

As a Senior Dynamics 365 Business Central Developer, you will provide objective advice, expertise and specialist skills in Microsoft Dynamics and deliver innovative solutions using cutting edge technology, for clients across a variety of industries.

The successful candidate will be responsible for:

- Work closely with clients to understand their business processes, requirements and key objectives
- Document detailed design and technical specifications to set the stage for solid delivery
- Design and develop business solutions within Dynamics Business Central
- Provide integration development to external systems and provide development support services for the systems we have deployed
- Adhere to the design and implementation of development best practices

### **Qualifications**

The ideal candidates' qualification should match or exceed the following:

- Have expert knowledge ( 5 years+ ) in both Dynamics 365 Business Central and previous NAV releases
- Demonstrable experience leading consulting engagements with strong stakeholder management and customer-focused approach
- Full understanding of Dynamics 365 AL and C/side
- Experience with the Microsoft Cloud and Power Platform is desirable
- Knowledge of Azure development and services is desirable
- Driven, flexible and client focused. You understand the importance of working with clients and the EFOQUS team to deliver great solutions, and you know how to communicate.
- You understand you are not done before both sides are happy, and you know when to be flexible and when to be firm.

## Benefits:

When you join the EFOQUS team, **you get more than just a job**. With decades of experience in Dynamics 365 Business Central and Dynamics ERP, you will work alongside a team of experienced and reliable Microsoft Dynamics 365 MVPs (Microsoft Most Valuable Professionals) that **expand your connections with our clients, partners, and community**.

We offer a **very flat organizational hierarchy** – where we expect you to challenge every decision if you think we can do better.

We **value the best environmental work set up that fits the individual**. We are 90% remote workforce, but if you prefer in office – we have a beautiful, convenient office location in downtown Vancouver.

We are a flexible workplace that truly believes and lives work/life balance. **All our employees start 4 weeks of vacation** to ensure there is ample time for family, travel and play outside of the office.

We believe in supporting our team members through thick and thin. **Extended healthcare plan and life and disability insurance** are offered to ensure our employees are well taken care of in every situation.

## About EFOQUS:

Microsoft Dynamics 365 Business Central Solutions Partner EFOQUS eliminates the hassle SMBs, and enterprise organizations face with custom ERP extensions while increasing the agility, capability, and scalability of essential systems.

EFOQUS truly empowers organizations to take full advantage of their technologies, while helping extend the life and increase the value of the investment in Dynamics 365 Business Central ERP.
